

## **Seddiqi Holding Excellence Award for Corporate Social Responsibility**

### **Award Description**

This award is open to IHF Members, their member hospitals and health service providers who demonstrate excellence or outstanding achievements in advancing corporate social responsibility. Such achievements include activities which clearly demonstrate a commitment to corporate social responsibility. For example:

- Providing high-quality and affordable healthcare services for all;
- Promoting inclusion and diversity in the workforce;
- Reducing inequalities in healthcare service delivery;
- Advancing universal healthcare in emerging and developing nations;
- Developing innovative and ethical responses to social, climate and environmental issues;
- Harnessing a network of local stakeholders for sustainable and systemic responses to public health concerns.

**All submissions have to be made online at [https://congress.ihf-fih.org/ihf\\_awards](https://congress.ihf-fih.org/ihf_awards)**

### **Entry Details:**

- Name of Organization
- Organization Description (Organization profile as you want it to appear in promotion, in case you win the award- 50 words maximum)

[\[Download from the Awards webpage\]](#)

### **Service, Program or Project Information**

1. Provide a 100-word summary of the project, programme, or service. (This summary would appear publicly if you win the award)
2. Provide background information on how the project, programme, or service originated. What were the issues and challenges needing to be addressed? (300 words maximum)
3. Outline the specific goals or targets envisaged prior to initiation of the project, programme, or service. (300 words maximum)
4. Describe the steps or stages involved in executing the project, programme, or service. Include in the description the involvement of management, staff, patients and other stakeholders. (300 words maximum)
5. How does this project, programme, or service demonstrate the organization's excellence or outstanding achievement in advancing corporate social responsibility? What are the significant and sustainable results, outcomes or improvements? (300 words maximum)
6. Describe how the new project, programme, or service was received by the organization's stakeholders. Has the project been recognized by the community or received an award nationally, regionally or internationally? Has the new project been adopted by other organizations and what is the likelihood for broader adoption? (300 words maximum)

**NOTE: Please limit background material to 5 relevant documents and use valid file types: PDF (\*.pdf) and Word document (\*.doc, \*.docx). Maximum upload file size is 32MB.**
